

Essay writing template – Basic

(NB – remove the headings before submitting the essay)

Title (Call it Something)

Introduction

What are you going to write about? Re-hash the question. Use MINDMAPS to organize your ideas!

Information

- Write in paragraphs with a new paragraph for each idea.
- Give factual information, arguments or opinions and then reasons or facts about why you agree/disagree.
- Note all your sources when you find them.
- Collect useful phrases including starting sentences.
- Collect vocabulary.
- Use thesaurus to improve work.

Conclusion

Your conclusion about the general message of your essay, and any change or reinforcement you want to add.
